ARTICLE 1

The District recognizes the Union as the sole and exclusive bargaining agent for the purpose of establishing wages, hours and other conditions of employment for certain employees of the District in the bargaining unit comprising all custodians as certified by the Massachusetts Labor Relations Commission. Excluded from the unit are the Manager of Facilities, the Deputy Superintendent, and all professional employees and all other employees of the District. The term “employee” or “employees” as used in this Agreement means a person or persons to whom this Agreement applies.

Except as specifically modified by this Agreement, The District retains the right to select and hire all employees; to promote employees to determine the necessity for filling a vacancy; to transfer employees from one position to another; to suspend discipline, or discharge employees; to subcontract all or any part of the work of the bargaining unit; to assign, supervise or direct all working forces and to maintain discipline and efficiency among them; to lay off employees and to adjust employment when required because of lack of work or curtailment of work; to make reasonable rules and regulations which do not conflict with the provisions of this Agreement; and generally to control and supervise the District’s operations and municipal affairs without hindrance or interference by the Union. No action taken by the District under this Article 2 shall conflict with the express provisions of this Agreement.

ARTICLE 3

RECYCLING

Such remittance shall be made by the tenth (10th) day of the succeeding month.

4.2. BULLETIN BOARD. The District will provide a bulletin board to be placed on the premises at the Regional High School for the posting of notices of a routine nature pertaining to Union business and notices from the District to the employees. Notices shall be furnished in duplicate by the Union and shall be first submitted for approval to the designated representative of the District before posting. No denunciatory or inflammatory material shall be posted on such bulletin board.

The District agrees to permit representatives of the American Federation of State, County and Municipal Employees, AFL-CIO and/or Council 93, and/or Local 1703 to enter the Regional High School for the sole purpose of individual discussion or working conditions and/or grievances with employees covered by this Agreement, provided such discussions do not interfere with the performance of duties assigned to such employees.

ARTICLE 5

NO DISCRIMINATION

5.1. Neither the Union nor the District will discriminate against an employee because of his/her membership in or lawful activity in behalf of the Union or because of lack of such membership or activity.

5.2. The parties to this Agreement agree that they shall not discriminate against any employee

WORK WEEK AND OVERTIME

8.1. WORK WEEK. The normal work week shall consist of forty (40) hours being five (5) days of eight (8) hours each, including an unscheduled thirty (30) minutes paid lunch period for personnel who work a continuous work day. Employees are expected to be available for emergencies during their paid lunch period. All Building Service Workers' schedules shall provide for a fifteen (15) minute rest period during each half shift. A half shift shall be defined as four (4) hours. Prior to the implementation of a schedule change, the principal will discuss the change with the union representative. Employees whose work schedule commences at 1:00 p.m. or after will be scheduled for an eight (8) hour period with a lunch break included.

8.2. OVERTIME. Time and one-half shall be paid for all time worked in excess of eight (8) hours in one day or forty (40) hours in one week, and for all time worked on Saturdays and Sundays except that temporary employees called in on Saturdays, Sundays and holidays for snow removal and similar emergency work shall be paid on a straight time basis.

Overtime for Sundays and Holidays. Employees who work on Sundays and holidays as specified in Article 9 will be paid double time. Building checks are excluded.

8.3. When a building service worker is called in by the District to work overtime which is not continuous with other hours worked, his/her pay for the overtime, excluding travel time, shall not be less than his/her overtime rate for four (4) hours, but this provision does not apply to use of the school premises by others where the employee is paid as described in paragraph 8.8.

8.4. Although the District does not expect to invoke mandatory overtime, both parties agree that conditions may arise where overtime is necessary, and therefore under such conditions employees will work reasonable amounts of overtime.

8.5. Overtime shall be equally and impartially distributed among personnel in each area who ordinarily perform such related work in the normal course of their work. An employee may be excused from overtime work but in this event the hours so excused shall be charged as time worked for purposes of equal distribution. In case of a grievance involving overtime distribution, the records shall be subject to examination by the employee and the Union.

8.5.1. The Manager of Facilities shall provide a list of employees who are willing to work overtime outside their building to the President of the Bargaining Unit. This Overtime List shall begin with the employee who has the most seniority. It shall be the responsibility of the employee to notify the manager in writing of their desire to be on the Overtime List or of any status changes to the List.

The Building Service Supervisor in need of overtime coverage shall offer the overtime to all Building Service Workers assigned to his/her building.

In the event that the Building Service Supervisor is unsuccessful at finding an employee who

wants to work the overtime within the building, the Building Service Supervisor will notify the Manager of Facilities. The Manager of Facilities will offer the overtime to all available CCHS Building Service Workers in the order as they appear on the Overtime List.

If no Building Service Worker volunteers to work overtime, the Manager of Facilities will ask the CPS Building Service Workers and the Maintenance Workers prior to invoking mandatory overtime to the most junior CCHS Building Service Worker available.

When filled, the Manager shall notify the Building Service Supervisor of the building requiring overtime with the name of the employee who will cover the building.

8.6. When an employee is working overtime, he/she shall be permitted reasonable paid meal periods.

8.7. Overtime and premium rates shall not be pyramided. Overtime shall be paid for all time worked in excess of the normal scheduled work day or work week, but not both.

8.8. NON-SCHOOL USE OF FACILITIES. As a general rule, when school premises are used by non-school groups as defined by school authorities for meetings and activities, an employee will be detailed to be on the premises, to open and close the buildings and perform other necessary duties. If the building service worker has to come in and open up the building (as opposed to being already on duty) he/she shall receive a minimum of two (2) hours pay. Such time shall be equally and impartially distributed. Work required by the use of facilities by non-school groups will be paid at the rate of one and one-half (1-1/2) times the hourly rate of Step 6 of the Building Service Worker Salary Schedule in effect at the time the work is performed. Such work for non-school groups as defined by school authorities and required on Sundays and holidays will be paid at a rate of double time. Time lost from scheduled hours for such work will be made up at straight time.

Head Building Service Workers who are assigned to work for non-school related groups will receive his/her Head Building Service Workers rate. Lead Building Service Workers assigned to work for non-school related groups will receive their Lead Building Service Workers rates. Second and third shift Building Service Workers will also receive their shift differentials when assigned to work for non-school groups.

8.9 FUNCTION CANCELLATION – A Building Service Worker assigned to work overtime for both school and non-school functions shall be entitled to at least twenty-four (24) hours notification for cancellations of Monday through Friday events and forty-eight (48) hours notification for cancellation of Saturday and Sunday events. Building Service Workers assigned shall be entitled to three (3) hours' pay if cancellation notice does not meet these timelines.

8.10. COMPENSATORY TIME. Building Service Workers who are required to work when the Superintendent closes the Central Administration Offices are entitled to straight time,

compensatory time for those hours worked when the offices are normally open. The presidents of both bargaining units shall be notified when the Central Offices close.

ARTICLE 9

Independence Day	New Year's Day
Labor Day	Martin Luther King's Birthday
Columbus Day	Presidents' Day
Veteran's Day	Patriots' Day
Thanksgiving Day	Memorial Day
Day After Thanksgiving	Christmas Day

9.2. To be eligible for holiday pay, an employee must work a minimum of fifteen (15) hours per week. An employee normally scheduled to work five (5) consecutive days per week who works his/her scheduled hours the working day before and the working day after a recognized holiday shall receive a day's pay as holiday pay computed on the basis of his/her scheduled hours for that day. Absence due to approved paid leave on the day before or the day after a holiday shall be considered time worked for purposes of eligibility for holiday pay. Temporary and seasonal employees are not entitled to holiday pay.

9.3. HOLIDAYS OCCURRING DURING VACATION LEAVE. When a paid holiday occurs during an employee's vacation period, he/she will receive holiday pay in lieu of vacation pay for that day. Any unused vacation days may be taken at another time.

9.4. When a paid holiday falls on a Sunday, the following Monday shall be observed. When a paid holiday falls on a Saturday and the schools are not in session on the preceding Friday, that Friday shall be observed. When a paid holiday occurs on Saturday or Sunday and schools are in session on the preceding Friday or succeeding Monday, thus requiring building service workers to work on those days, the holiday will be paid at straight time.

ARTICLE 10

VACATION LEAVE

10.1. A probationary employee will accrue five (5) days of vacation when he/she completes his/her probationary period and becomes a permanent employee. This accrued leave may be taken only after the completion of the probationary period. If the employee terminates service for any reason before the end of the probationary period he/she is not entitled to any accrued vacation.

10.2. Permanent employees are entitled to accrue vacation leave each fiscal year. This accrued vacation leave will be credited to each employee on July 1 as follows:

End of probationary period to end of 1st fiscal year	1 vacation day for each 5 weeks of service after completion of probationary period to a maximum of 10 additional days
End of 2nd fiscal year to end of 4th fiscal year	10 days
End of 5th fiscal year to end of 9th fiscal year	15 days
End of 10th fiscal year to end of 19th fiscal year	20 days
End of 20th fiscal year and thereafter	25 days

Permanent part-time employees are entitled to prorated vacation according to the above schedule.

Temporary and seasonal employees are not entitled to paid vacation.

No more than ten (10) vacation days may be carried from one fiscal year to the next. All other vacation days earned must be used in the same fiscal year in which they are credited or will be forfeited except in unusual circumstances as requested by supervisors.

One (1) day of vacation will be deducted from the yearly accrual for each month in which the employee is absent without pay for one-half, or more, their regularly scheduled working days.

10.3. COMPUTATION. Vacation leave shall be credited and charged on a whole or half-day basis only. Vacation day pay during a particular year shall be computed at the employee's regular hourly rate times the average number of daily scheduled hours at the time the vacation is taken.

10.4. SCHEDULING OF LEAVE. If a holiday falls during a vacation period an additional day off will be scheduled by agreement with the principal.

10.5. TERMINATION. Upon termination of employment, the employee shall receive payment for all accrued vacation days. This payment shall include any vacation days earned during the fiscal year of termination and shall be prorated monthly to the nearest half day. Such payment shall not exceed forty-five (45) accrued days.

If termination is caused by death, such payment shall be made to the employee's surviving spouse if living; otherwise to the employee's estate.

ARTICLE 11

FUNERAL LEAVE

An employee normally scheduled to work five (5) consecutive days per week shall be entitled to a maximum of five (5) working days off with pay to be taken within seven (7) days of a death occurring in his/her immediate family. Immediate family shall be defined as mother, father, spouse, children, brother, sister, mother-in-law, father-in-law, sister-in-law, brother-in-law, grandparent, grandchild, niece, nephew or member of employee's immediate household. Employees are also entitled to one (1) day of bereavement leave for the death of other close relatives or friends with the approval of the principal. Compensation for time off under the terms of this article shall be calculated on the basis of the employee's scheduled hours times his regular hourly rate (including shift differential, if any) times his normal day's work for each day of leave. Funeral leave will not be charged to sick leave or vacation leave.

ARTICLE 12

JURY DUTY

Permanent and probationary employees serving on jury duty will be paid the difference between the money received for jury duty, less travel allowance, and their regular pay calculated on the basis of their scheduled hours times their regular hourly rate. This shall apply only to the time lost by the employee during the regular work week. An employee who is normally scheduled to work in the evenings and nights shall not be required to report to work on any day during which he/she serves on jury duty.

ARTICLE 13

LEAVE OF ABSENCE

13.1. A leave of absence may be granted by the Superintendent after proper written application through the principal. Such leave will be without pay, but an employee so excused will retain length of continuous service in the school system and seniority rights for the period of the leave; however, no seniority shall accumulate during a leave of one year or longer.

13.2. THE FAMILY AND MEDICAL LEAVE ACT OF 1993. Upon receipt of an application, the Superintendent shall approve a maximum of twelve (12) weeks unpaid, job protected leave each year for specified family and medical reasons consistent with the FMLA. For purposes of the FMLA, the year is defined as the twelve (12) consecutive months immediately preceding the requested leave date.

ARTICLE 14

GRIEVANCE PROCEDURE

Any grievance or dispute which may arise between the parties involving the application, meaning or interpretation of this Agreement shall be settled in the following manner.

A grievance that affects or may affect more than one member of the bargaining unit will be submitted as one grievance, in writing to the Director of Human Resources. The processing of such grievance shall commence at level two of the grievance procedure.

Step 1. The union steward and/or representative with the aggrieved employee shall take up the grievance or dispute in writing with the principal within three (3) working days of the date of the grievance or his knowledge of its occurrence. The principal shall attempt to adjust the matter and shall respond in writing to the steward and employee within three (3) working days.

Step 2. If the grievance has not been settled, it shall be presented in writing to the Director of Human Resources within three (3) working days after the supervisor's response is due. The Director of Human Resources or his/her designee shall respond to the steward and employee in writing within seven (7) calendar days of receipt.

Step 3. If not settled at Step 2, the grievance shall be referred to the Superintendent within seven (7) calendar days after receipt of the answer in Step 2 or after the date when the answer should have been received if no written answer is received. Such reference shall include confidential reports in writing by both the Union and the District. Copies of such reports shall be exchanged between the parties. The Superintendent shall hear the grievance and shall render a decision within thirty (30) calendar days following the hearing.

Step 4. In the event the Superintendent is unable to resolve the grievance, the grievance may be referred to arbitration by giving the Superintendent written notice thereof within fifteen (15) calendar days after receipt of the Superintendent's decision

or after the date when the decision should have been received if no written decision is received. The arbitrator shall be selected through the American Arbitration Association, and such arbitration shall proceed in accordance with the Voluntary Labor Arbitration Rules of the American Arbitration Association.

No arbitrator shall have any power to add to or subtract from or modify any of the terms of this Agreement, or to decide any question except the grievance as submitted. No award may be retroactive for more than thirty (30) calendar days prior to the date

the grievance was reduced to writing. The arbitrator shall be requested to issue his decision within thirty (30) calendar days following the hearing, and such decision as to all matters shall be final and binding on all parties.

14.2. The expense of the arbitration proceedings (except the individual expense of either party in prosecuting its case) shall be borne equally by the District and the Union. If either party desires a stenographic transcript of the proceedings it may cause such a transcript to be made, providing it pays for the transcript and makes one (1) copy available without charge to the other party and one (1) copy to the arbitrator, provided that for good cause shown the arbitrator may allocate up to one-half of such expense to the other parties.

14.3. Grievances involving disciplinary action shall be processed beginning at Step 2. If the case reaches arbitration, the arbitrator shall have the power to direct a resolution of the grievance up to and including restoration to the job with all compensation, and privileges that would have been due the employee.

ARTICLE 15

SENIORITY AND QUALIFICATIONS

15.1. DEFINITION OF SENIORITY. Seniority is the length of continuous service an employee has in the bargaining unit covered by this Agreement.

15.2. DEFINITION OF QUALIFICATIONS. "Qualifications" means the ability, knowledge and skill of an employee to perform the required duties of a job classification in a workmanlike and efficient manner.

15.3. LOSS OF SENIORITY. Seniority shall be broken for the following reasons:

- A) if the employee quits;
- B) if the employee is discharged for just cause;
- C) if the employee is absent for three (3) consecutive working days without properly notifying the District;
- D) if the employee, having been laid off, fails to return to work within six (6) working days after being notified to report for work, and does not give a satisfactory reason;
- E) if an employee has been laid off for two (2) years.

15.4. POSTING OF VACANCIES. A vacancy in a classification including a promotional vacancy, will be posted for bid. Closing date for bids shall be a date stated in the notice and not less than five (5) work days from the posting date. Employees wishing to apply for the vacancy shall submit an application in writing not later than 4 p.m. on the closing date. (At the discretion of the District, notice of such vacancy may also be given, at the same time or a later date, to the general public.) Employees applying for the vacancy will be interviewed.

Selection of an employee to fill the position shall be based on qualifications and ability. Where qualifications and ability are relatively equal, seniority shall be the determining factor. In cases where no promotion is involved, the Committee shall be the sole judge of qualifications and ability provided that such judgment shall not be exercised arbitrarily, capriciously, or unreasonably. In cases where a promotion is involved, the Committee shall be the sole judge of qualifications with reference to the grievance procedure. Employee applicants not selected for a vacancy will be given written reasons.

The successful applicant shall be given a ninety (90) calendar day trial and training period in the new position at the applicable rate of pay. If at the end of the trial and training period it is determined that the employee is not qualified to perform the work, he/she shall be returned to his/her old position and rate.

15.5. LAYOFF AND RECALL: BUMPING. Layoff in any classification in the bargaining unit shall be by order of seniority. An employee laid off under the preceding sentence may elect, in lieu of layoff, to transfer to any lower classification, provided he/she has the necessary qualifications or has previously worked in such lower classification. Layoff from such lower classification shall then proceed by seniority. Recall shall be made on the basis of seniority. An employee shall retain recall rights for two (2) years from the date of the layoff. The recalled employee must report to work within ten (10) days of notification or shall forfeit all recall rights.

ARTICLE 16

DISCIPLINE AND DISCHARGE

The District shall not discipline, suspend or discharge any employee without just cause. When disciplinary action is taken, the Employer will follow a progressive discipline process. In all cases involving the suspension or discharge of a permanent employee, the District shall notify the employee in writing of his/her suspension or discharge and the reasons therefore. Any dispute arising between the District and the Union concerning the existence of just cause for suspension or discharge may be subject to the grievance and arbitration procedure set forth in this Agreement, except that the suspension or discharge of a probationary employee shall not be subject to the arbitration procedure under this Agreement.

ARTICLE 17

SICK LEAVE

17.1. Each permanent employee shall accrue sick leave at the rate of one and one-fourth (1-1/4) days for each month of service. A day of sick leave shall be computed at the employee's regular hourly rate times the average number of hours per day for which the employee was scheduled during the month. Sick leave shall be accumulated without limit. Any accumulation which present employees have at the effective date of this Agreement shall be retained.

17.2. WORKER'S COMPENSATION. The Worker's Compensation Act has been accepted by the School Committee as applied to all building service worker employees. A building service worker who is entitled to any sick leave allowance may take such of his/her sick leave allowance payment as, when added to the amount of any disability compensation provided by the statute, will result in the payment to him/her of his/her full salary or wages. A building service worker absent because of industrial accident who has exhausted his/her sick leave may use accrued vacation.

17.3. PERSONS COVERED. Sick leave shall be granted for personal illness or injury or for serious sickness of the employee's spouse, child, mother or father. A doctor's statement may be required for sick leave exceeding five (5) consecutive working days, for repetitive intermittent periods of absence. The doctor's statement shall pertain to the sick person.

17.4. NOTIFICATION. Employees must call in to the principal before their shift begins if they are to receive compensation for sick time. Failure to call in accordance with the following procedure will result in no pay for the period of absence:

- A) First shift - call at least one-half (1/2) hour before shift begins.
