Re: High School Debt Authorization Motion  
Date: April 9, 2010

At its December 15, 2009 the Concord-Carlisle Regional School Committee voted unanimously to accept all Concord-Carlisle Regional School District proposed FY2011 warrant articles. At that time the articles included placeholders for the regional articles in terms of warrant article numbers, and also the funding amount for the MSBA Feasibility Article, which has since been assigned Article 28 and an amount of \$1,300,000.

I would like to request that the Regional School Committee re-vote Article 28 now that specific information has been identified. Should you agree, I would recommend that the Concord-Carlisle School Committee be presented and vote the following motions:

**Motions****VOTED:****Concord-Carlisle High School /MSBA Feasibility Study \$1,300,000**

expended hereunder unless each member town of the District shall have expressed its approval of the debt authorized by this vote by June 30, 2010.
